

# JEEVAN BHATTARAI

## PHOTOGRAPHER

I'm a 24-year-old Photographer and Videographer, focused on producing high-quality images. My experience in both the photography and videography industry has enabled me to develop a strong set of skills that I am confident will be beneficial to a company. With a keen eye for detail and a passion for capturing stunning visuals, excellent organisational skills and an ability to work well with others, which has proven to be an invaluable asset when working on projects
